FRONT OF HOUSE STAFF

Victory Performance And Physical Therapy - Culver City. www.victoryperformancept.com
F/T, available to work Monday - Friday 830am - 730pm (actual scheduled hours tbd.) \$19-21/hour + PTO + Medical + Dental. Boutique performance and recovery studio. We are hell-bent to put the "care" back into "healthcare". We help people that are passionate about their health avoid surgery, stay off pain-meds, and keep active and mobile. We are not your average physical therapy clinic. We offer an over the top experience that people are not used to in healthcare. Building and maintaining strong relationships with current clients. You create raving fans of the business. Organized: You keep lists, can multi-task, and understand how to prioritize what's most important. Excellent Communication Skills: You are great at communicating, but even better at listening. You know how to make people open up to you and make them feel safe. You take ownership of all communications between staff and clients and always reply in the appropriate amount of time. Motivated: You understand that the high standards you hold represent your own values. You will do everything you can so that outcomes and metrics are met. Goal Oriented: You set goals that enable and motivate you to work your best, and you don't give up until you are 100% satisfied with the work. Fun: You like to laugh, try new things, explore, and be around people that value the same. You bring energy and life to the clinic. Problem Solver: You love finding streamlined ways to make repetitive tasks more effective and efficient allowing you to spend more time with clients. Flexible: You are not a 9-5'er and you are not someone who gets "stuck in their ways." Coachable and are committed to self-improvement through learning on and off the clock. You don't need someone to hold your hand and tell you what to do; you find ways to be productive and get the job done. Be part of a dynamic team that love to learn and have fun. Work in a supportive environment where personal development is a top priority. Make a difference; we're part of the solution to the opioid epidemic!
