

### ASSISTANT BUYER INTERN - Los Angeles

Ross Stores - Los Angeles. Internship. <https://jobs.rossstores.com/creative/about> Summer 2021.

The Internship will take place in June & July of 2021. You graduate between August 2021 – May 2022. You are available to work the full program, Monday – Friday, during traditional business hours. As an intern, you will work with our expert buying and planning teams. You'll gain hands-on experience and learn what it takes to buy brands customers want at great values. You'll be challenged to generate meaningful business ideas, culminating in a final project which you will present to senior management. Throughout the internship, you'll gain a taste for the culture of the company, all while having fun and learning about yourself! Assistant Buyer Intern.

Perform the administrative & operational functions supporting a designated buyer. Handle purchase order management and administration as well as processing markdowns. This includes writing orders, changes, cancellations and necessary follow-up (both internally and externally) to ensure key shipments are delivered and processed. Analyze and interpret key business issues as directed by supervisor including the monitoring of regional merchandise reports, Open-to-Buy monitoring, and stock analysis. Develop effective relationships with vendors. This includes appropriate level of interaction with vendors in terms of both problem resolution and follow-up.

Demonstrate the ability to effectively utilize the merchandising systems and understand warehouse processes. Includes utilizing systems and preparation of reporting to allow for interpretation of the business. Demonstrate product knowledge through sharing information with buyer as a result of competitive shopping, shopping Ross Stores, and the market. What you bring to the table...A desire to learn, grow and engage. A team player attitude. A drive for results. A passion for product and an interest in weaving a story out of numbers! You are organized and pay attention to detail you are a strong communicator you understand retail math and have strong analytical skills you are proficient in Excel and familiar with MS Office.

### VIDEO PRODUCER

Flighthouse - Los Angeles. Full-time. \$34,000/yr. The producer will be involved in creating compelling multi-platform, satisfying, overhead content with a focus on viral TikTok trends.

Responsibilities will include researching trends in the ASMR, #satisfying and beauty community, purchasing props and assets during pre-production, producing and filming content and overseeing post production results and quality control. The ideal candidate will be comfortable with all social media platforms and have an expansive understanding of TikTok, as well as the #ASMR, beauty and #oddlysatisfying community. This candidate will also have a passion for social media and content trends and be willing to see their own ideas through from start to finish. Must be willing to feature their own hands in all satisfying/ASMR content and be willing to take direction directly from clients. The Creative Video Producer reports directly to the Production Coordinator and Brand Coordinator but must be a self-starter and comfortable working individually. The ideal candidate will also participate in brainstorming, peer reviews of content and knowledge of Adobe Premiere a plus.

### FREELANCE VIDEO EDITOR

Flocksy - Los Angeles. Flocksy.com. \$15 - \$30/hr. Request the amount you want to be paid for an available project. Set your own schedule and choose the timeframe that works best for you. Work wherever and whenever you like. Enjoy the convenience of weekly payouts. Experience: Adobe, 2 years. We're looking to add more video creators and editors over at Flocksy. Flocksy is a platform where clients can have access to a wide range of marketing services for a fixed monthly fee. Talent can sign up for free to complete projects for clients and enjoy regular work on a remote basis. We're looking for skilled, fast-working video editors and creators to join the team. Flocksy's creative community is full of talented people from around the world. What we have in common is our passion for delivering great results quickly to our clients. We are versatile, quick, and dedicated to excellence. No need to have a fancy degree or decades of experience: if you are committed to your creative work and want to be part of a fast-paced environment with an exciting variety of projects, we want you to join the team! Our clients have a wide variety of video needs, from promotional videos and commercials to how-to videos and interviews. Each project includes a brief with detailed instructions. You'll be editing footage; compiling stills and video into an edit; adding title cards, logos, and animations; adding captions and audio tracks; color correction; green screen effects; working with stock assets and branding materials; and much more. You'll have access to each client's Brand Bucket so that you have everything you need at hand to create engaging videos. Stay in control of projects and deadlines with our easy to use Project Management Board. Be supported by a dedicated Project Manager who works with every client and will help deal with issues or questions that arise. Flat-rate projects pay between \$15 and \$30 on average. Larger (longer) projects pay more. Most projects take a qualified creative one or two hours to complete. On average, team members earn between \$15 to \$30 per hour. You can join a client's team and be invited to work on their projects. Our innovative system places projects in your queue. We have fast turnaround times, so you can get to work right away and be paid every week. The system offers an 'instant accept' option that can be used when you're ready to work on a project, and if you're approved, it'll be added to your queue immediately. This allows you to complete the request right away.
