## FOOD PHOTOGRAPHERS & OTHER CREATIVES

Spicy Green Book - Long Beach. [www.spicygreenbook.com](http://www.spicygreenbook.com) Part-time, Contract. Volunteer. Spicy Green Book, a nonprofit organization dedicated to connecting black-owned food and beverage business with professionals who can increase their digital presence. We pair them with professionals who want to do good to help the black community with professional photography, videography, design, content writing, branding, promotion, and overall content creation. Please check out our process page for more details (<https://spicygreenbook.com/our-process>.) Please review listings for the kind of content we are looking to create to add to. Please review listings to see voids where you can create more high quality content. Please review our instagram page for more information (<https://www.instagram.com/spicygreenbook>). Take all necessary photos to create the listing while ensuring the highest possible presentation quality. As for style of photography, think what you would like to see when looking online for somewhere to eat. Content should create an array of photos that capture the business' story and unique menu items. Photos should include quality images that display food, the business' brand/logo, the owners (if they choose to be a part of it), what sets the business apart, and anything else that would help represent the business on our website. Contributors will be credited on our website with links to your website and social media. Credit will also be given when posted on social media and that also applies when the business owner post your work.
